The month of January brought more of God's blessings in the form of visitors as well as financial support. We were excited to host partners with ONELESS ministries and 127Worldwide. While here, they were able to build relationships with the children while witnessing first hand the work they are helping to fund.

KB and Daizy are still in Uganda. They are still waiting on Daizy's passport. KB is now on leave without pay. She has to leave Uganda (and Daizy) for a couple of days to cross into Kenya and re-enter Uganda in order to renew her visa. Please continue praying for both of them.

At Acres of Hope, the 4th pod house still requires \$2,000 to complete the furnishing.

Thank you for partnering with us. Your prayers, support and love make hope a reality for many who only dreamed it possible.

Williamson's Chapel United Methodist church in Mooresville, North Carolina gave \$4,800 to help build four permanent classrooms. Construction is well underway. Last year, school was cancelled when storms destroyed our temporary (tarp, sticks, and mango tree) classrooms. We are looking forward to having school inside four walls and under a real roof. A proper education will make a huge difference in the lives of not only the students but the surrounding community and more!
