On March 25th KB and Daizy Thomas made it home to Louisiana after many months of obstacles and prayers!! Daizy is full of song, joy, and love for Jesus. It is easy to see that the love of Jesus is pouring out of KB, into Daizy, and vice versa. We often question challenging circumstances, but this story is a clear example of God's bigger picture. We praise God for His divine timing, protection, and love. The first adoption from Acres of Hope is in the books! Please continue to pray for KB and Daizy as they start the next chapter and continue to adjust and grow together.

We are very excited and thankful that ONEless Ministries raised the funds for court orders for eight children to move into the fifth pod house. We are hopeful that they will move in by May! It costs \$26 dollars to obtain a court order for a child to be able to live at Acres of Hope. The remaining 32 children all need court orders. Our urgent prayer is to be able to raise \$832 for all court orders.

Pastor Geoffrey is humble, hard working, and a man after God's heart and will. The sacrifices that he makes are more than most of us will ever understand. Recently, his landlord and others in his community have treated him and his family unfairly. They see what he is doing and think that he has a lot of money, but they don't know that he would never spend a penny of the money intended for Acres of Hope on anything except Acres of Hope. They have increased the price of rent on his home and do not seem to respect the work he does. Additionally, his oldest son scored well enough to attend college, and Geoffrey wants to support him in pursuing higher education.

It would cost Geoffrey approximately \$2,500 to buy his own land so that he could stop renting at the mercy of corrupt landlords. Please pray for Geoffrey as he navigates the discouragement that comes from Satan and consider supporting him financially. We can't thank you enough .
